a second decade helping children

# For kids. For the future. For the love of learning.

## Two Together Is More Than Words

Two Together's primary purpose is to strengthen children's social, cultural and intellectual growth through improved language and literacy skills in an environment that fosters a lifelong love and enthusiasm for learning.

For more than seventeen years, Two Together has provided free after-school reading, writing and enrichment programs in the South End of Albany for children in 1st through 6th grades. The core of Two Together is an individualized reading enrichment program.

Students receive tutoring from Two Together's trained volunteers at Albany Housing Authority's 200 Green Street location classroom and at the John A. Howe Library, where our Homework Help Program has allowed us to help even more children discover the joy of learning.

Getting to work

Getting better, together

Making every minute count

Hand-made memories

Happy days

## Two Together Programs

- Individualized tutoring after school, Monday-Thursday at Albany Housing Authority's 200 Green Street location
- Homework Help, Monday-Thursday at Howe Library

## Noteworthy Events

**Field Trips:** The children visited the Nano-Tech Facility and learned about nano-technology and its future in our ever-changing world. With hands-on demonstrations, the children were wide-eyed at the advanced science flourishing in their own city.

Going from high-tech to the great outdoors, the children also participated in the spring Guided Storywalk at the Pine Bush Discovery Center where nature and reading provided a fun learning experience, followed by a picnic. A good time had by all!

**Cooks for Kids:** April 2014 marked the 13th anniversary of Cooks for Kids. Professional chefs prepared and served their favorite recipes to benefit Two Together's after-school programs.

**Family Suppers:** Provide an opportunity for parents, siblings, tutors, staff and board members to have social interaction and allow the children to showcase their work. Parental and family participation continues to increase along with increased interaction with board members and staff.

Another successful day

## Let's Work Together!

☐ Yes, I would like to make a contribution to Two Together's after-school tutoring program.

A check is enclosed for \$\_\_\_\_\_, payable to Two Together, Inc.

☐ Yes, I would like to know more about the program.
